**Notes:**

- 2 Writing Intensive Courses must be incorporated into the pathway.
- WCC has a Math Graduation Requirement where you must place into Math 100 or complete Math 23 (Math 26, Math 28, Math 75X, or Math 82) with a “C” or better. This is separate from the FS requirement.
- Cumulative GPA of 2.0 or higher for all course work taken in fulfillment of A.A. degree.
- Generally, any one course can fulfill only one area, e.g., SP 151, SP 231, SP 251 can fulfill either OC or DA, but not both. Certain natural science courses can fulfill both DB and DY requirements. Exception: Writing Intensive.
- No more than 12 credits in any combination of independent study or cooperative education may apply to the degree requirements.
- When there is a break in enrollment (not attending fall or spring semester), you must use the graduation requirements in effect at the time you return to WCC.
- If your bachelor's degree has been determined, you may be fulfilling specific course requirements for the 4-year degree here at WCC and applying those courses to the AA degree as elective credits.
- The last day for graduation certification is the last day of instruction.
