Edward You

Join us for an FBI presentation and discussion on the future of biology addressing the promises and unique challenges in security involving health, cybersecurity, and the economy.

Edward You is a Supervisory Special Agent in the FBI’s Weapons of Mass Destruction Directorate, Biological Countermeasures Unit. Mr. You is responsible for creating programs and activities to coordinate and improve FBI and interagency efforts to identify, assess, and respond to biological threats or incidents. These efforts include expanding FBI outreach to the Life Sciences community to address biosecurity. Before being promoted to the Weapons of Mass Destruction Directorate, Mr. You was a member of the FBI Los Angeles Field Office Joint Terrorism Task Force and served on the FBI Hazardous Evidence Response Team.

Mr. You has also been directly involved in policy-making efforts with a focus on biosecurity. He served as a Working Group member for the National Security Council Interagency Policy Committee on Countering Biological Threats and is a current Ex Officio member of the NIH National Science Advisory Board for Biosecurity. He also serves on two National Academies committees, the Institute of Medicine’s Forum on Microbial Threats and the Committee on Science, Technology, and Law’s Forum on Synthetic Biology.
