The Star Pathway Registration site will be available for all students on November 7 (for Spring 2017 registration). Students’ registration timetable will follow the same time ticketed format as previous semesters. The schedule can be found at: http://myuhinfo.hawaii.edu/object/uhcctimetetable.html. Instead of registering for courses via myuhportal.hawaii.edu, students will be completing the process entirely via their star.hawaii.edu account! Please follow the steps below:

1. Login to your Star account using your UH username and password https://www.star.hawaii.edu

2. Click on the Graduation Pathway tab. After confirming that your Graduation Pathway is optimized for your current (and potentially transfer) degree, click the Registration link at the top of the Spring 2017 semester.
4. A registration checklist may appear if the student has registration issues to resolve.
   a. If the Terms of Registration appear, click the I Agree button.
   b. If the “student record update” issue appears, click the myuh.hawaii.edu link to update student information and then return to the star.hawaii.edu site.

5. To begin, click Select a Course for the Requirement.

   Note: If you do not wish to register for the specific requirement in your pathway, you are able to make a Personal Choice by scrolling to the bottom of the screen and selecting the “+ Add Personal Choice” button.
6. The middle section provides a list of open courses that satisfy the selected requirement.

A. The courses can be filtered by search options on the left. More search options (course attributes like WI, online courses, etc.) can be viewed by clicking the “Show More Filters” and “Show Other Attributes” link.

B. Courses are listed in alphabetical order. Click a course to select it and the calendar will update on the right. Note: online courses will not appear on calendar because there is no scheduled times/days.

C. Click the next degree requirement identified for the given semester in your pathway from the list on the top right.

D. After all desired courses for the semester have been selected, click Continue.
7. If a class is full, you have the ability to add yourself to the waitlist.

   a. First, click on the dropdown arrow corresponding with your desired course
   b. Then, select “Waitlist this Item”
8. Carefully review the selected courses (can be one or more), then click the **Submit Registration** button.
9. The registration summary on the top right of the screen will update to show the registered courses.

A. Click on the **Total Charges** to view a detailed listing of tuition and fees for the current semester.
B. Click on the $ to make a payment.
C. Click on the **Time Ticketing** option to see when you’re able to register for the upcoming semester.
D. Click the **Books** link to view all books listed for registered courses.
E. Click the **Print** link to print your schedule with class details and a weekly calendar view.
